Pioneer Network's 2017 conference promises to be **quite an event** as we celebrate the 20th Anniversary of the gathering of the original Pioneers as well as the 30th Anniversary of OBRA. Our celebration includes a line up of dynamic half and full day intensives, concurrent and special sessions, and opportunities to showcase the innovative ideas and practices happening across the country and around the world which are advancing person-directed care and changing the culture of aging.

Whether you are just starting out on your culture change journey or have been actively engaged in this endeavor for some time, there will be something there for you.

*Make the
2017 Pioneer Network
Conference a stop
on your culture change
journey!*
